

Waseem Zahr Aljumah

Saudi Arabia | +(966) 59 992 6127 | Waseemaljumah@gmail.com

Objective:

A highly motivated Computer Science graduate with practical experience in IT support, Technical Support. I am passionate about systems analysis, and front-end development. I am seeking an opportunity to leverage my problem-solving skills, technical expertise, and user-centric approach to support organizational goals and deliver effective digital solutions.

Education:

Bachelor's Degree in Computer Science

May 2025

Taibah University

Experience:

Operations & Systems Specialist

Dec 2025 – May 2026

Com Al-Sharq Company

- Provided technical support for computers, printers, and network-related issues.
- Developed web systems to automate tasks and improve workflow efficiency.
- Managed system records and generated daily, weekly, and monthly operational reports.

IT Intern – Coop Training

June 2024 – August 2024

Anwar Al Madinah Movenpick Hotel

- Infrastructure: Maintained and monitored network access points and switches.
- Operations Support: Supported hotel operations using the Opera PMS system.
- Technical Support: Provided hardware maintenance and technical troubleshooting for staff.

Projects:

Graduation Project: AutoPartSA – An E-Platform for Car Spare Parts & Maintenance Services

An e-platform that connects users with certified car agencies and spare parts providers, enabling easy online purchase of parts and direct booking of maintenance appointments. The platform improves the post-sale experience by simplifying access to car-related services.
